

16. ura na daljavo:

Kako dobro ti je šlo reševanje nalog 1, 2 in 3 v delovnem zvezku, na strani 96 in 96? Rešitve si lahko preveriš s pomočjo rešitve, ki jih najdeš na koncu tega dokumenta.

Danes se bomo še vedno ukvarjali s stvarmi, ki jih najdemo v šoli, hkrati pa bomo ponovili tudi, kako povemo, kje so stvari.

Najprej si oglej predstavitev.

**WHERE ARE THEY?**

<https://youtu.be/88WRH7dGwAQ>

Znaš sedaj sam povedati, kje so stvari?

Where is the blackboard?

It's on the cupboard.

Where is the swing?

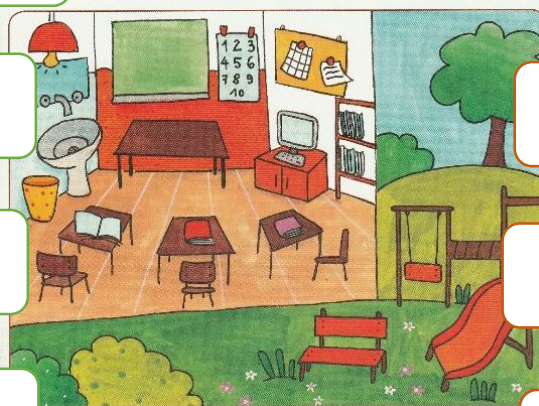

They're on the bookshelves.

Where is the computer?

It's behind the slide.

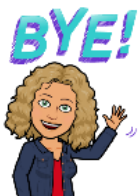

Where are the books?

It's on the wall.

V delovnem zvezku reši naloge 4, 5 in 6, na straneh 98 in 99.

Za danes je to vse.

Učiteljica Maja
