

THERE IS ... THERE ARE ...

Kadar želimo povedati, kaj je v mestu, uporabimo **THERE IS** ali **THERE ARE**.

Na primer:

In this town:

THERE IS a school.

THERE IS a playground.

THERE IS a supermarket.

THERE IS a car park.

THERE IS a police station.

V mestu:

Je šola.

Je igrišče.

Je supermarket.

Je parkirišče.

Je policijska postaja.

Če je enakih stavb več, uporabimo:

In this town:

THERE ARE restaurants.

THERE ARE shops.

V mestu:

So restavracije.

So trgovine.
